Appling County...

KEEPING IT SAFE FOR MOTORISTS, IMPROVING GUARDRAILS IN APPLING COUNTY

- What:** A contractor for Georgia DOT has schedule guardrail repair on S.R. 4 at various locations north of Baxley. Work will require lane and shoulder closures near the area where work will be performed. Crews will be working in half mile to 1 mile increments and relocating frequently. Motorists should be alert to changing work patterns.
- When:** 8 a.m. until 5 p.m., Wednesday, November 6 through Friday, November 8, weather permitting.
- Where:** S.R. 4 north of Baxley in Appling County.
Mile marker 11.2 northbound
Mile marker 12.4 north and south bound
Mile marker 17.3 southbound
Mile marker 17.6 southbound
Mile marker 19.3 southbound

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone. For more information on Georgia DOT, please visit www.dot.ga.gov or subscribe to our Press Release [RSS feed](#).
